Who We Are

Web Builders is a Bucharest-based agency obsessed with crafting high-quality websites and apps that support thousands of users. Our senior developers and designers are committed to making the web easier and more effective for your business.

Why Choose Us?

- **Competitive pricing:** \$40/h for WordPress, \$60/h for Web Apps, \$30/h for Design.
- **Experienced team** delivering robust solutions.
- **Transparent, client-focused process.**

Our Services

WordPress Development

Custom plugins, themes, or template-based solutions tailored to your needs.

- ACF Fields, Wordfence, reCAPTCHA for security and forms.
- Cloudflare integration on request.
- Hosted on wordpress.com (~\$300/year).

Pricing: \$40/hour

Web Apps

Scalable apps built with modern technologies.

- React, Next.js, Node.js, MySQL, MongoDB.
- Flexible to other tech stacks.
- Hosted on Vercel or Netlify.

Pricing: \$60/hour

Design

Clean, user-friendly designs to engage your audience.

Pricing: \$30/hour

Launch Your Digital Success

How We Work

We make your project simple and successful:

1. **Meet:** Discuss your goals and needs.
2. **Quote:** Get a clear cost estimate. Work starts after 50% payment.
3. **Plan:** Agree on sitemap, design, and content.
4. **Build:** Create beta site. Design changes after this add extra costs.
5. **Review:** Share beta for your feedback.
6. **Launch:** Go live after final payment.
7. **Train:** Learn to update content with our tutorials.
8. **Support:** Choose a maintenance plan for ongoing help.
